# FAQS

## **Does the venue provide a wedding planner?**

Our rental fees include the service of a Stone Tower Venue Coordinator overseeing the venue during the event. A wedding planner (full service or day of) is required in order to run the event, lead all decor set up and breakdown, and direct/manage all vendors and guests throughout the evening. You may choose to work with a company not listed on our preferred vendors list, but they must be approved by a Venue Coordinator prior to booking.

## **Do you have any overnight options on the property?**

Stone Tower does have a cottage on the property that is available for overnight rental. The cottage is a lovely one-bedroom with a spacious living room and kitchen located on the property and serves as a wonderful place to stay for your wedding night. For more information, please visit [loudounstay.com](http://loudounstay.com).

## **How long may our event last? When can set up begin?**

Our standard wedding contract lasts 10 hours with set-up beginning at 2pm and breakdown completed by midnight. The Barrel Club Room and Outdoor Patio will be available beginning at 5:30pm. Your ceremony can start as early as 5:30pm (unless you book our winter package timing) to ensure the transition into Cocktail Hour goes smoothly. Per Loudoun County ordinances, all amplified music must be turned off at 11pm, and the event clean up completed by midnight. Vendors are welcome to drop off/pick up supplies prior/after the rental period when coordinated with the Stone Tower Events team.

## **Does Stone Tower allow rehearsals to take place the day before?**

A 1 hour on-site ceremony rehearsal the day before the wedding is included in the Vineyard View Package. Please work with your Venue Coordinator to ensure times and scheduling.

## **What furniture is included?**

In addition to the spaces, Stone Tower will also provide furniture and seating for the ceremony, cocktail hour and reception. Ceremony seating consists of wooden benches for guests, and brown X-Back chairs for reserved seating in the first 2 rows. The Barrel Club Room (cocktail hour) will be filled with couches/lounges, wooden tables, and high tops.

## **Do you have in-house catering or a list of preferred caterers?**

Our list of preferred caterers includes fantastic professionals, and we will be happy to assist you in the process of figuring out which caterer is the best fit for your celebration. If our list does not meet your needs, we are open to working with other caterers. They must be licensed, insured, and provide references for final approval by Stone Tower Winery before booking.

## **What is your alcohol policy?**

Wines must be purchased from Stone Tower Winery for your guests and no other brands of wine are allowed on site. Beer and liquor are also permitted with the use of an ABC Banquet License. All alcohol will be served by your caterer and their bartenders must meet our requirements for alcohol safety training and service. For a special touch, two Stone Tower Tasting Room staff are available to provide your guests with a wine tasting experience during your cocktail hour.

**What is the average cost of a case of wine? Is there a wine minimum? When do we select them?**

We require a minimum purchase of one 12-bottle case of wine per 25 adults. Selected wines will be sold at a discounted rate of 15% off. An average estimate for budgeting purposes is between \$400 and \$500 per case. We recommend selecting your wines at the 60 day walk through. A wedding wine tasting will be provided for the couple and up to 4 guests to finalize the selection.

**Am I required to have event insurance?**

A \$1M Event Insurance policy is required, and must list Stone Tower Winery as additional insured. Please reach out to your Venue Coordinator to receive assistance in obtaining this insurance coverage.

**What is your cancellation policy?**

We understand adjustments or cancellations may be necessary. Should you need to cancel your celebration, we will try our best to rebook the date. Your deposit will be retained until another event of equal or greater value is booked on that date, in which case the deposit will be returned to you minus credit card processing fees and a 10% rebooking fee on the overall venue cost. If we are not able to rebook the reserved date, your deposit will be forfeited.

**Are there any hotels nearby for out-of-town guests?**

Downtown Leesburg is a short 10 minute drive away and offers several hotel options for your guests including the Comfort Suites, Hampton Inn, and Homewood Inn & Suites. Other local favorites include Landsdowne Resort, Salamander Resort, and Aloft Hotel. Stone Tower is only a 25 minute drive from Dulles International Airport, making it an easy trip for your guests coming from afar.

**What are the payment details regarding deposits?**

One-half of the total rental fee is collected in order to secure your reservation when you sign your rental contract. The remaining balance will be due 60 days prior to your wedding. We do require a \$1,000 security deposit that will be returned to you in full within fifteen business days of your event, as long as the facilities are returned in their original condition. The security deposit is collected with the second payment 60 days prior to the wedding and is to be paid by cash or check only.

**What are my transportation options?**

Buses and hired transportation are always welcome and encouraged. We have plenty of parking for buses that will be on-site throughout the course of the event.

# TESTIMONIALS

*from the newlyweds*

**Abby & Mike**

“Stone Tower Winery exceeded my husband and my wildest wedding dreams, and we cannot recommend them enough for couples looking for a beautiful Virginia venue... We were fortunate enough to hold our Labor Day Weekend wedding outdoors on the gorgeous hillside, but even if we had been rained out, the indoor venue options would have been stunning. Our guests raved about (and cleaned out!) the wines, and we can't wait to visit for a tasting over the holidays to relive some of the magic.”

**Rachel & Ariana**

“My wife and I had the most fantastic experience having our wedding at Stone Tower Winery... They listened to any concerns we had, came up with solutions, and always made us feel 100% confident in our choice. Everything from the atmosphere, to the decor, to the WINE especially, was above and beyond anything we could have dreamed of. Did I mention how good the wine is? ...We chose to forego having an outdoor ceremony on the hilltop in favor of an indoor ceremony inside the winery's tank room - something incredibly unique and a decision we could not have been happier about!”
